Examinations & Assessments

- Examinations are composed by two different parts:
 - Theory
 - Practice
- Each part can be taken in any order
 - Within the same academic year!
- The final assessment is a weighted sum of all results
 - i.e. do not attend any examination date until you reach the desired result!

- Theory
 - Written
 - 2 hours
 - Max 25 points, min 15 points
- A written (paper) dissertation about course topics
- Very general questions
 - Usually 2 questions
- Please, go straight to question issues
- On esse3 labelled as “Prova Scritta”

- Practical test
 - Using your laptop
 - 2 hours
 - Max 5 points, min 3 points
- C++ OpenCV program
- A simple exercise like the lab ones
- On esse3 labelled as “Prova Orale”

- Assignments
- Participation to laboratory activities
 - Minimum participation 80%
 - Exempt from Practical Test
- Each students will be, sometimes, required to upload their code
 - Code will not be thoroughly checked
 - The idea is to award participation

- Both written and practical test can be replaced by oral exam
 - Or supplemented...
- When:
 - Few applicants
 - Unclear or suspicious tests
